Product shall be packed in multi-walled paper bag with a sewn closure or into 1kg food grade plastic pouches with heat sealed closure placed into carton and closed with tape. The bag/box is to be clearly marked with net weight, product name and type and batch number.

PACK SIZE
25kg/1kg/10 x1kg

STORAGE
Product shall be stored in cool, dry conditions away from direct sunlight.

SHELF LIFE
If stored as requested shelf life is twelve (12) months for 1kg packs and eighteen (18) months from date of packing for 25 kg packs.

QUALITY	PURCHASING

The information contained in this specification is based on data considered to be accurate and reliable as at the date of the specification to the best of the supplier's knowledge and belief. It is user's obligation to determine the safe use of the product for its own applications or suitability for use since the conditions of use, handling, storage and disposal are beyond the supplier's control. The user should therefore take all necessary precautions to ensure the safe and suitable use of the product described in the specification.
