All Kerry manufacturing facilities and standard operating procedures have been designed to minimise allergenic residue carry over between products, and all procedures are auditable. Due to the nature of our business we do carry allergenic raw materials, as a result we are not able to give any absolute guarantees to the total absence of trace residues. Our continuous improvement plans, product design and validation programs focus on taking all commercially viable steps possible to ensure this is minimised.

COUNTRY OF ORIGIN

Manufactured in Australia from local and imported ingredients.

SHELF-LIFE & STORAGE

Six (6) months from the date of manufacture.

When stored unopened, in a clean, cool, dry location. The Best Before Date is declared in open code on the label or on packaging.
