Preparation / Instructions

Anchor White Malt Food Vinegar has a mild, sweet and complex flavour. It has many uses and is ideal for marinades, chutneys and rich glazes. With unique 5% acidity it is perfect for pickling and preserving.

Perfect For Fish Dishes
Enhance the flavour of your favourite fish dish by adding a dash of Anchor White Malt Food Vinegar. For firmer, whiter fish soak your favourite fillet for 20 minutes in 4 cups of water mixed with 2 tablespoons of Anchor White Malt Food Vinegar.

Balance Flavours
If after mixing all ingredients for a dish you still can't balance the saltiness or sweetness, try adding a dash of Anchor White Malt Food Vinegar- it can make all the difference.

Packaging

PVC plastic jug with red coloured screw cap.
