Strong blade

Handle

Knives with a plastic handle

The plastic handle is suitable for contact with food and complies with the requirements of the following legal regulations (each including all amendments and in the current version at the time of making this declaration):

Regulation (EC) No. 1935/2004 on materials and objects (including active and intelligent food contact materials and objects), intended for coming into contact with food and repealing Directives 80/590/EWG and 89/109/EWG – in their currently valid version.

Regulation (EU) No. 10/2011 dated 14.01.2011 on materials and objects made from plastic intended for coming into contact with food.

All handles except wood

The knives are dishwasher proof. However, we recommend manual cleaning to protect the cutting edge.
